

COMMUNITY WELLNESS & HEALTHY LIFESTYLES TEMPLE KNESSET ISRAEL MAY 6, 2010

Commissioner Sorkin speaks on good food sense to the assembled Relative Caregivers in attendance.

Several County Departments and Commissions collaborated on this important training.

Nutritious snacks were enjoyed by the attendees following the training.

Reading labels is important to make sure your eating choices provide the necessary nutrients.

Commissioner Franzen was on hand to distribute educational materials, such as measuring cups and literature on smart snacking.

A healthy turn-out of concerned caregivers.

Caregivers were reminded to always read labels to make certain they are making healthy choices for children.
